

## The Hotwalls Creative Market 2019 FAQs.

Thanks for your interest in joining us at the Hotwalls Creative Market 2019. To help everyone out we've put together a list of frequently asked questions...

### When is the Market?

The Hotwalls Creative Market will be taking place on Sunday 19<sup>th</sup> May from 10:00am - 4:00pm.

### How much does a stall cost?

There are two different types of pitch available this year. They are as follow;

3m x 3m gazebo for 1 day - £50 incl VAT

3m x 1.5m gazebo for 1 day - £30 incl VAT

Please clearly indicate what pitch size you would like in your booking application form.

### Will electrics be available?

There will be an additional charge for electrics to cover the cost of hire for adapters. Please be aware that although the site does have electrical provisions these are limited. For this reason we can only offer electrics to traders that will be providing demonstrations on the day.\* Please indicate your use of electrics on your application form and a member of the Hotwalls Team will be in touch with you.

### Where will my pitch be?

Your pitch will be outside on the Parade Ground.

### What will be provided?

We will provide your gazebo set up for the day with sides available should you choose to have them on. You will need to bring everything else (chairs, tables etc).

### What time can I arrive?

We ask for stalls to be set up by 9:45am at the latest. This allows for a final site walk to make sure everything is ship-shape before opening at 10:00am. As access is limited we will work with you to arrange your arrival time.

---

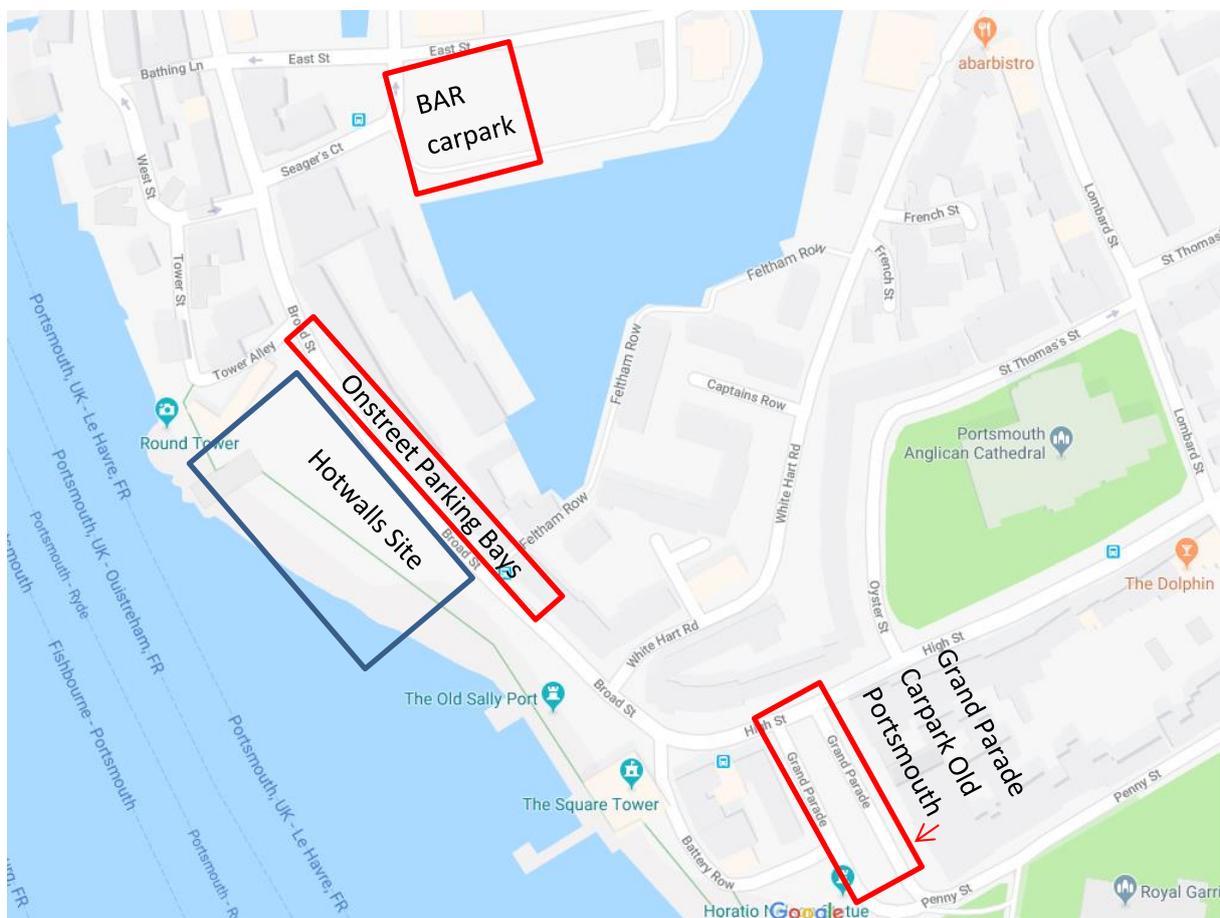

\* If you have carried a booking over from the Christmas Market and already paid for electrical access then this will be honoured. Please could you indicate to the Hotwalls Team if you would still like to utilise this access.

## What time can I leave?

The market runs until 4:00pm and we require you to stay until then.

## Is parking available?

You can park your car in one of the pay and display bays outside the Parade Ground. There are also 2 pay and display carparks within walking distance as alternative options.

## Can I deliver my stock the day before/ store my stock overnight?

Unfortunately we do not have the storage capacity to store items overnight.

Any further questions don't hesitate to drop us a line at:
